

HR as a System: Are you in HR or at HR?

August 26, 2021 | 01 : 00 PM EST

HR as a System: Are you in HR or At HR webinar confronts a dilemma faced by HR professionals every day. Your CEO demands that you speak the language of business in order for you to get a seat at the table. The HR professional is stuck in the transactional model that HR has been in since its beginning as personnel. In the course of the webinar, we will explore the nature of both views of the HR function. The webinar looks at the characteristics of a system. It also discusses five strategies to transform your HR function.

AREAS COVERED IN THIS WEBINAR

- What is a system?
- Transactional vs. Strategic HR
- Creation of Centers of Excellence
- Organizational alignment

WHY SHOULD YOU ATTEND

In today's business world, your career is on the line. If you are still functioning in a purely transactional HR world you are counting the days until you don't have a job. Your organization is demanding more from you. HR as a System presents a new view of HR, one as a system rather than a function, and shows you the path to the new world of HR One in which HR is vital to the success of the future organization.
